To our friends at Garden State Quilters  
c/o Mrs. Leslie Morgan

Dear Friends,

I want to extend the thanks of the Chatham United Methodist Church for the gracious ways that you have created community at the Chatham UMC for over 15 years. Our Trustees have been grateful for the ways you have cared for our building and the commitment you have made to leave Rodda Hall ready for the next group to use.

We are also grateful for your understanding in our church's need to maximize our building for greater stewardship. As has been conveyed to you in recent months, we have been exploring a relationship with a group that would use our church building significantly more than the Garden State Quilters. On June 15, we signed a Letter of Intent with this new group, which will result in them using the building every Monday late afternoon and evening beginning in late August, 2015.

I understand that you have found another site that is sufficient for your meeting needs. If for any reason that doesn't work out and you would like to explore meeting back here at the Chatham UMC on Tuesdays or Thursdays, please give us a call.

We wish you well in this new season of your organization's life, and will welcome any future conversations about accommodating the Garden State Quilters.

Sincerely,

Rev. Jeff Markay
